Usage

GoConqr is a personal learning environment that allows students & teachers to create, discover and share learning resources. Goconqr includes study tools to create Mind Maps, Flashcards, Notes and Quizzes. With GoConqr, you can also plan your studies and monitor your progress in real time, as well as connecting with friends and sharing knowledge.

Useful features for both teachers/students:

- Create-there is a suite of creation tools at your disposal; GoConqr gives the user full control over learning. You can create things such as engaging Mind Maps, Flashcards, Slides, Quizzes and more, and make study a more immersive experience. This is particularly useful for students when revising as they can collaborate and create resources which can be shared/personalised by class members (appeals to different learners).
- Discover-Go Conqr gives you access to find the content you're looking for by browsing through our library of 4 million learning resources covering thousands of subject categories across multiple languages and exam levels.
- Share- Go Conqr offers sharing options that are fully interactive. Set up or join a community, invite your friends and get collaborating. You can either choose to share creations of your own, or those of other learners. As publicly published resources are free to use by everyone, you can copy, edit and share the best learning content out there.

Ease of Access:

They offer 3 packages as well as an app that is downloadable to androids and iOS devices. The three packages are

1. The basic package, which allows you to create 3 subjects and a total of 20 resources.

2. The basic+, which allows you to create unlimited subjects and unlimited public resources by referring 3 friends to GoConqr.

Overall the software is user friendly and very interactive. It allows for connections to be made all across the world through the sharing of educational ideas.

Pedagogical Assessment

GoConqr is a tool that allows students to build their own learning environment. Besides that, they can access to more than 3 million resources and share them. By doing so, they can create learning communities where knowledge is shared. In addition, it provides several tools that help its users to learn faster and monitor their progress.

Example:

Learners should create an interactive mindmap on computer software and computer hardware for class presentation/distribution.

Reviews:

"I'm convinced GoConqr contributed greatly to our excellent examination which were our best ever - I couldn't recommend it highly enough to other teachers." David Bayne (Educator)

"A student gave myself and other educators a demo of the GoConqr platform - I like that students use it to connect ideas, study and create Quizzes." Rafraz Davis (Educator)

Advantages

- It is a very powerful tool for both students and educators. It allows its users to create, discover and share content.
- It appeals to a variety of learners and is more engaging (due to interactive nature).
- It can be enjoyed for free and its premium version only costs around 13 euros per year.
- Could be used to establish networks between schools to share learning content.
- It is a web application so you only need an Internet connexion in order to use it. In addition, it has free applications for IOS, android and windows phone.
- It is available in 5 different languages (English, Spanish, Portuguese, Brazilian Portuguese, and German) but you can create your own resources in any language.

Disadvantages

- It is not possible to create resources using their mobile app. Accessing to the web is required in order to do it.
